

Product Safety Incident Policy

Policy ID	P03
Version	1.2
Status	Active
Effective date	2026-01-01
Supersedes	None
Owner	Product Safety team
Precedence level	1

Purpose

This policy covers overheating batteries and fire/shock risk. It overrides every other policy where they conflict.

1. Immediate response

- 1.1** Tell the customer to stop using the device immediately and unplug it.
- 1.2** Rate the case Critical and escalate to Product Safety within 1 hour.

2. Resolution

- 2.1** Full refund regardless of purchase date, no replacement sent until investigation completes.
- 2.2** Goodwill credit up to \$100 for confirmed fire/shock, approved by an Admin.
