

Technical Support and Troubleshooting Policy

Policy ID	P04
Version	1.0
Status	Active
Effective date	2026-01-01
Supersedes	None
Owner	Technical Support team
Precedence level	3

Purpose

This policy covers malfunctions discovered after use, and sets the troubleshooting steps required before a refund or replacement.

1. Troubleshooting first

- 1.1 Guide the customer through restart, firmware update, and factory reset.
- 1.2 If two documented steps fail within 30 days, a refund or replacement is offered.
