

Account and Technical Access Policy

Policy ID	P09
Version	1.0
Status	Active
Effective date	2026-01-01
Supersedes	None
Owner	Technical Support team
Precedence level	3

Purpose

This policy covers account login problems and technical setup or firmware issues.

1. Login help

- 1.1 Password reset is the first step for any login problem.
- 1.2 Persistent login failure after reset is escalated to Technical Support.

2. Setup and firmware

- 2.1 Setup guides are provided on request.
- 2.2 Firmware bugs are logged and a workaround is offered where one exists.
